

Chapter 5 | Louisiana's Native People

Item 1: Multiple Choice

Based on Source 1, which characteristic was shared by all Prehistoric cultures in Louisiana?

- A. hunting for food

Item 2: Multiple Select

Based on Source 2, which three statements about buffalo hunting are supported by the documents?

- the buffalo is not as large as it appears
- the buffalo most frequently hunted is the female
- the buffalo are surrounded by hunters to make the kill easy

Item 3: Technology Enhanced Item

Based on Source 1 and your knowledge of social studies, identify the era in which the cultural characteristic first occurred.

| Cultural Characteristic | Era |
|----------------------------------------------------|-----------|
| Large villages of permanent homes | Late Neo |
| Creation of pottery | Early Neo |
| Beginning of agriculture and cultivation | Late Neo |
| Following herd of animals | Paleo |
| Women gathered pecans and persimmons | Meso |
| Crossed the land bridge from Asia to North America | Paleo |
| Made beads, bracelets and pendants | Early Neo |
| Built the first earthen structures known as mounds | Meso |

Item 4: Constructed Response

Answers:

- Step 1 - Plan on doing most of the hunting during the winter months.
- Step 2 - Focus on killing the female cows, not the bulls.
- Step 3 - Surround a small group of the animals with bows and arrows at the ready.
- Step 4 - Approach the buffalo with the wind blowing toward you.
- Step 5 - Take aim at the hollow of the animal's shoulder for an immediate kill.
